**Plot:** Tooth Man & his sister learn that the greatest impact can be made through Christ...not floss.

**Props:** “studio stage”, floss, clipboard

**Media:** sfx: crowded studio, read lines

---

**MEDIA:** Lights up

D: (from back of sanctuary) Alright people we have got to get this right. I need all people in their places and all cameras ready to roll. (looks at kids) Is the live studio audience ready to go? (wait for response) Good. (looks around again) Where are the hosts?

**MEDIA BOOTH:** Umm, Madam Director, I think I remember seeing him in his dressing room flossing again.

(Baby Tooth comes from back stage)

H: I’m here madam director. I’m ready to...to...to do something.

D: (shaking head) You just stand there, smile and say “that sounds toothtastic” after Captain Floss does his presentation. Speaking of...CAPTAIN FLOSS ON THE SET – NOW!

C: (comes stumbling in with floss stuck in teeth) Yes director?

D: I thought I told you to save the flossing till we shoot.

C: I know...but I am Captain Floss (strike a pose) and it’s what I do. Plus, with this video we will be changing the world forever!

D: Changing the world? You do realize we are shooting an infomercial for Fantastical Floss.

H: that sounds toothtastic!

D: Not yet Baby Tooth.

C: It may be just an infomercial to you but as people begin flossing they will have better teeth...and because of their better teeth they will smile more...and as they smile more other people will smile more and that will cause a chain reaction that will cause the **WHOLE WORLD TO SMILE AT ONCE BRINGING ABOUT WORLD PEACE!**

H: that sounds toothtastic!

D: NOT YET...(shaking head) listen Captain Tooth, I'm glad this is your passion but I really just need you to focus. Can you do that for me?

C: You bet.

D: Good...(turning to crowd) everyone in their places we begin shooting in 3! (walks to side of stage)

H: That sounds like a pretty cool plan with bringing world peace and all.

C: Yeah, it's been my dream ever since I was just a floss lieutenant. I just want to do something that will make an impact in people's lives. Something that can change the world.

H: Well I know how you can...

D: Quiet on the set...we begin rolling in 5..4...3..2...1 (point to actors)

MEDIA: change lights to focus on hosts

C: Hello America...I'm Captain Floss

H: And I'm Baby Tooth

C: And we are here to share with you a new breakthrough in the realm of tooth care.

H: that sounds toothtastic!

D: CUT! (Media change lights again) Listen Baby Tooth, I love you and all but you have one main line and you can't seem to get it right. You need to wait until he introduces the product and THEN you say your line. Got it?

H: yes ma'am

D: Good. Let's take it from the top in 5...4...3...2...1 (point to actors)

MEDIA: lights change again

C: Hello America...I'm Captain Floss

H: And I'm Baby Tooth

C: And we're here to share with you a new breakthrough in the realm of tooth care. It's guaranteed to get every piece of food from between your teeth in half the time for half the price. What is this remarkable product. It's Floppydink Floss....I mean it's Fantastic Four Floss...I mean...oh no...

H: that sounds toothtastic!

D: CUT! Captain..what happened out there?

C: I don't know. I think I was so overwhelmed with the thought of bringing world peace that I lost track of my lines.

D: Listen, why don't we take a couple minutes to break and then we'll take it from the top. (C nods yes)  
Alright everyone TAKE 5! (walks off stage)

H: You ok Captain Floss?

C: I guess...I'm just a little overwhelmed.

H: I think I may know what could help.

C: What's that?

H: Well you see, I know how you can make a huge impact in the lives of people and it doesn't have to involve cameras, commercials or even floss.

C: Really? How is that possible?

H: Well, first the Bible tells us that we can be forgiven of all our sin because of what Jesus did for us. I don't know about you but that news is pretty life changing.

C: Wow, I had never heard that before...that's incredible.

H: Not only that but once He saves us we then are given power to love others and share with them this good news. The awesome news is that this really does change people's lives and it's God who does the work...not us. We just tell others like I'm telling you.

C: Baby Tooth...thank you so much for sharing this with me. Sounds like God's way of impacting lives is much better than mine...even though floss is pretty awesome.

H: Very true. Hey, why don't we head over to the snack table, grab a celery stick and I'll share some more about Jesus and what He did.

C: Ahh Celery...natures floss. That stuff never comes out from between your teeth, trust me I've tried.

(walk off stage)
